

## **2010 HEF SS Challenge Project**

32 Partners provided supplies to students in 44 schools

High school students earned community service hours helping to sort and box supplies, assisted by 10 adult volunteers. Volunteers packed 131 boxes and 176 backpacks in addition to the deliveries partners made directly to assigned schools.

Thirty-two community partners took the SS Challenge this summer, collecting school supplies for students in need at 44 HCPS schools. Henrico Education Foundation staff coordinated the project linking corporate, small business and churches in a massive volunteer effort. This year's project featured NASCAR drivers David Ragan with corporate sponsor United Parcel Service and Tony Stewart with Office Depot providing backpacks and supplies for HCPS students. Because of this tremendous effort, our students have the basic supplies they need to be successful.
