

HEF benefits from Whole Foods Market “Nickels for Non-Profits” program

From April 5th through June 5th, the Henrico Education Foundation will be benefiting from Whole Foods Market “Nickels for Non-Profits” program. Bring in your own shopping bags and the cashier will give you a wooden nickel for each bag. On your way out, drop that wooden nickel into the bin marked for the Henrico Education Foundation. HEF will receive all proceeds at the end of the two-month period. Whole Foods Market is located at 11173 West Broad Street, Glen Allen, VA 23060.

What an easy way to support the great things HEF does for HCPS students and staff!
